Immerse yourself in a relaxing, minimalist and colorful exploration adventure.

Description:

Immerse yourself in a relaxing, minimalist, and colorful exploration adventure. Flow with Naiad across a mysterious river and interact with its fauna and flora to discover little secrets. Enjoy a wholesome experience with an original visual style.

- Learn to swim like a duck, dive like a fish, dash like a frog and meet other adorable friends like butterflies, rabbits, turtles, snakes, and crocodiles. Help them find their way and avoid obstacles.
- A journey in 16 episodes that will take you through beautiful and strange places like a spring, a forest, a cave, a lake, an orchard... until you reach the sea.
- Developed by a solo dev who has pampered every detail to create a very personal and unique game.
